Highly suggested having a separate pair of PE shoes for class to help keep the gym floor clean but not a requirement. **Students are expected to have the appropriate attire if needed for changing climates. Example...We as a staff highly recommend each student to bring a hoodie and bottoms (sweats, wind pants, yoga pants, etc) and store them in their PE locker so they are prepared to go outside in cooler conditions. Students need to write their names on ALL their clothes (on the tag inside) to help reduce lost/stolen clothing.**

(Optional) ALL GRADES: **WATER BOTTLES-THEY MUST BE CLEAR OR TRANSLUCENT.**
